Second Vice President
Board of Governors 2014-2015

Kevin Barry H. EGAN

Dear Fellow Members:

The current 2nd Vice President (Francis Moriarty) has decided to “move on” and will be a candidate for one of the Correspondent Governor vacancies in this year’s Board of Governor elections.

I have previously served as 2nd Vice President (2002-2009) and will be happy to serve in that role again.

One of the benefits of this arrangement will be that it will allow some “new blood” onto the Board to take up the Associate Governor position previously held by me.

Apart from the above my platform for re-election remains the same and is set out below.

Why vote for me? The answer is simple - "steady hand on the tiller!" I am a practising lawyer (and the only one running for election this year) and the Club frankly needs someone like me to ensure that the Club runs smoothly and stays within the rules.

Many of you may not know this but as well as being a fine club the FCC is also a duly incorporated company. When you elect the Board of Governors each year you are in fact (and in law) electing a Board of Directors to run this company. That is why you need to choose your candidates carefully since company directors have statutory duties to perform and owe fiduciary duties to you, the members.

You may hear grumblings from some quarters that... "it's time for a change..." or ... "we need a new broom to sweep clean". Such Populist slogans are fine when all you are considering is your New Year's resolution or the theme for your annual Spring Cleaning. Such notions are inappropriate when the task at hand is electing directors to run your company responsibly and within the law as it relates to companies!

I've been a Club member for 34 years and have sat on the Board for 22 of those years. As the old saying goes "if it ain't broke - don't fix it!"

Thank you,
Kevin Egan
