**Bio & Policy Statement from  
A Nominee for Second Vice President  
Board of Governors 2021-2022**

**WONG Kam Kuen Catherine**

**Affiliation: Barrister-at-law**

We have a Chinese or Cantonese saying which describes the tough career as reporters or journalists: “鐵腳、馬眼、神仙肚” . To me, it spells out the unique quality of a reporter or journalist: be perseverance, be sensitive as well as the strength and ability to work in any harsh environment. Hence, it is always amazing and impressive to me that people still choose to join such a demanding and competitive profession.

The opportunity to join FCC is exciting as well as a treasure to me. In the past, I only could admire and observe from outside the beautiful historical architectural building. Now I can enjoy the ambience, the great food and drinks, to meet our fellow members and to participate in the various events held by FCC. Above all, it gives me the chance to learn more about FCC and its potentials to serve our members and to cultivate exchanges not only in journalism, but also in other perspectives. And it is also the momentum for me to try to serve FCC in return.

I am born here, grown up and educated in Hong Kong. I have joined the legal profession for over 20 years and still is practicing in Hong Kong. Apart from putting my efforts to cater general member events or functions, I would help promoting FCC to our local community and to introduce more local cultures or features into FCC, local music, local cuisines and local arts.

Although I am a new member to FCC, my dedication and determination to serve FCC is substantial. I look forward to be part of the Board to promote and manage FCC so that we all would continue to enjoy.
