Nicholas GENTLE

Affiliation: Bloomberg News

Nick Gentle has been a journalist and editor in Hong Kong since 2002. He worked at the SCMP from 2002 to 2009 and has been at Bloomberg ever since. In that time he's started a family and earned a Juris Doctor from City University and a Postgraduate Certificate in Law from HKU. He's worked his way up through the industry after starting as a copykid filing faxes and delivering dinners for journalists at the Canberra Times in Australia.

Nick was elected to the FCC board in 2015 and has served on the House Committee, the Constitutional Committee and the F&B Committee. He has been integral in preparations for the upcoming renovations and, if re-elected, would aim to continue that work in the next term.

He will strive to ensure the FCC remains a vocal advocate for journalists' rights and proper treatment across the region.
